

**ASU-5 Launched from Shellman, GA on 4/26/14**

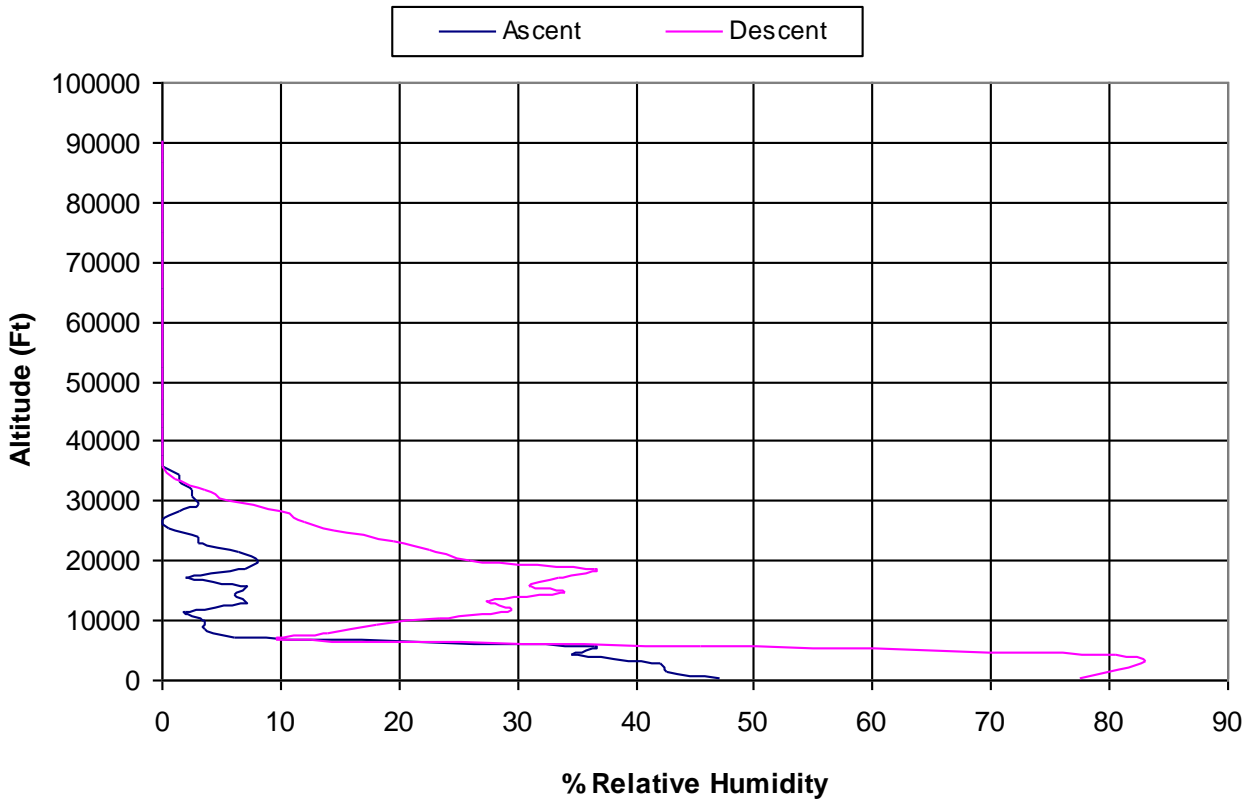

# Outside Temperature recorded by Data Logger

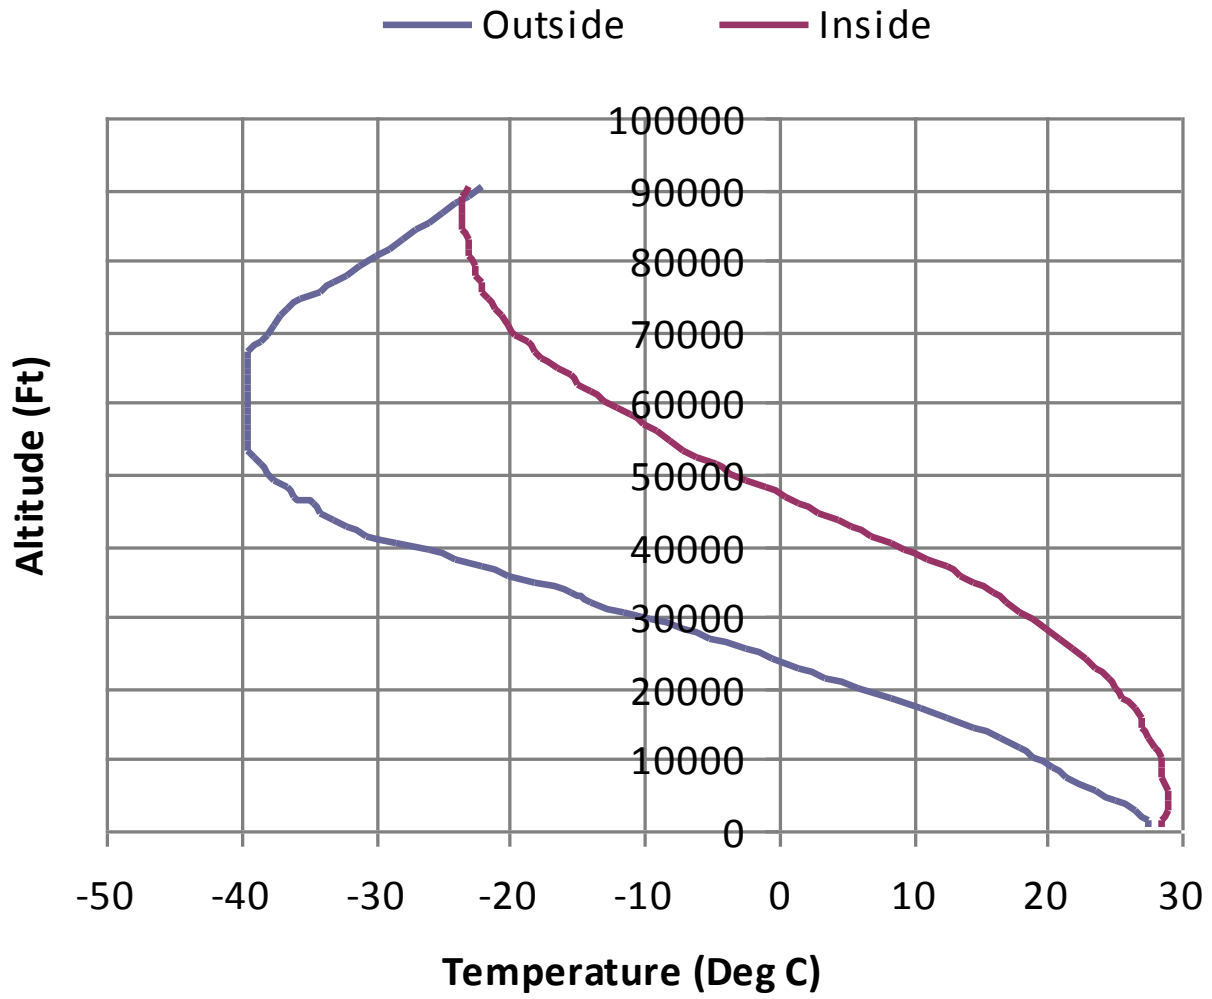

— Ascent — Descent

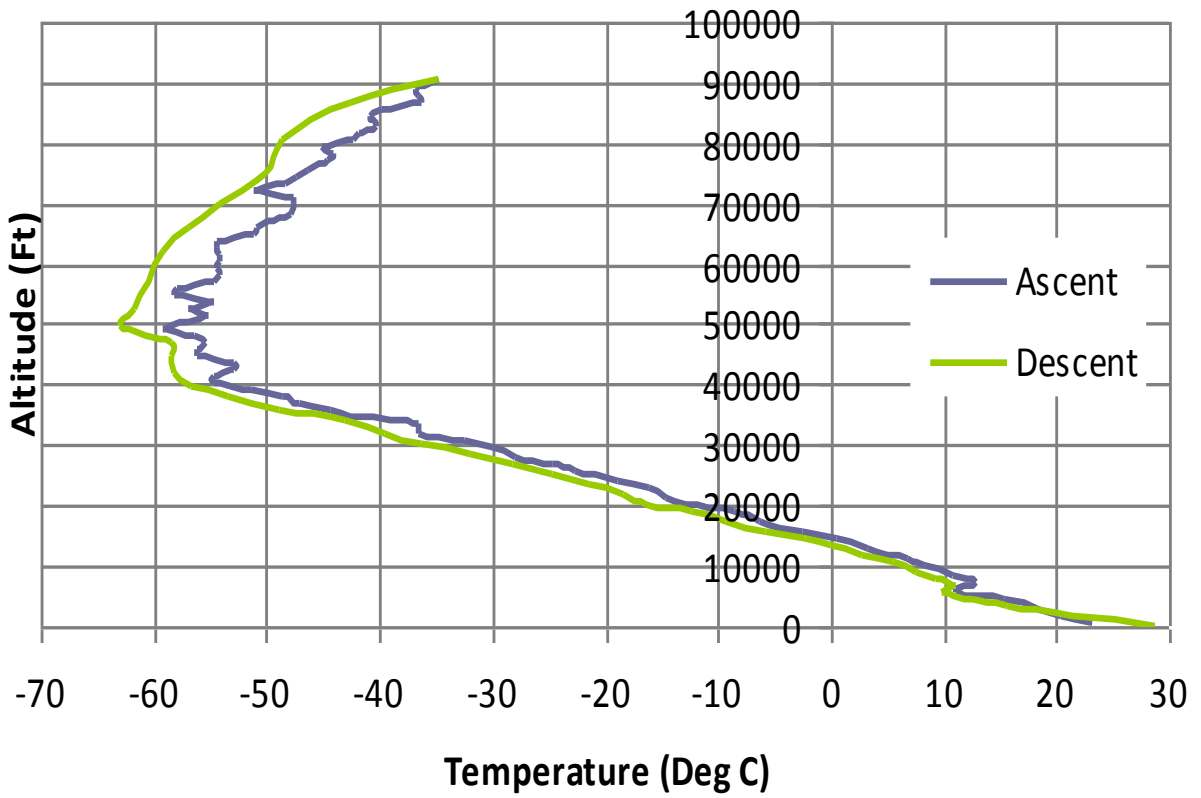

### Relative Humidity recorded by Data Logger

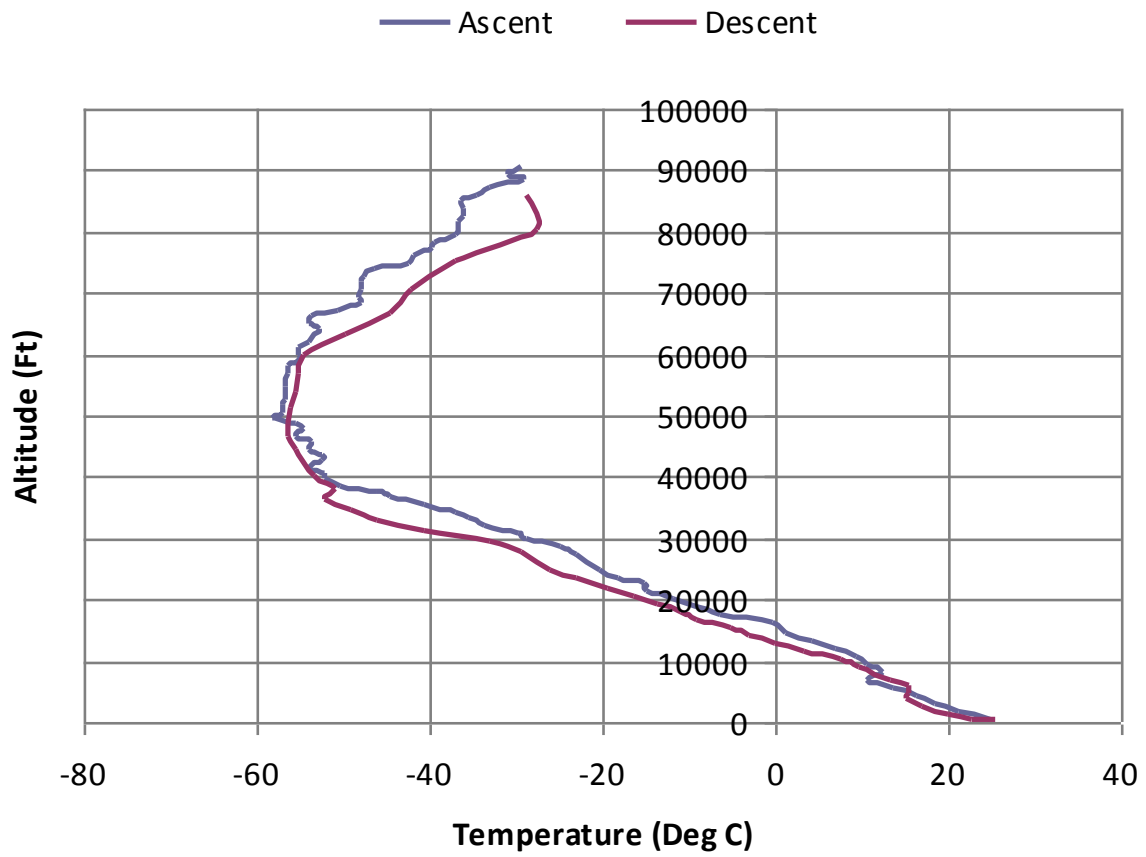

# Comparison of Outside and Inside Temperature of payload box

# Outside temperature recorded by Hobo data logger

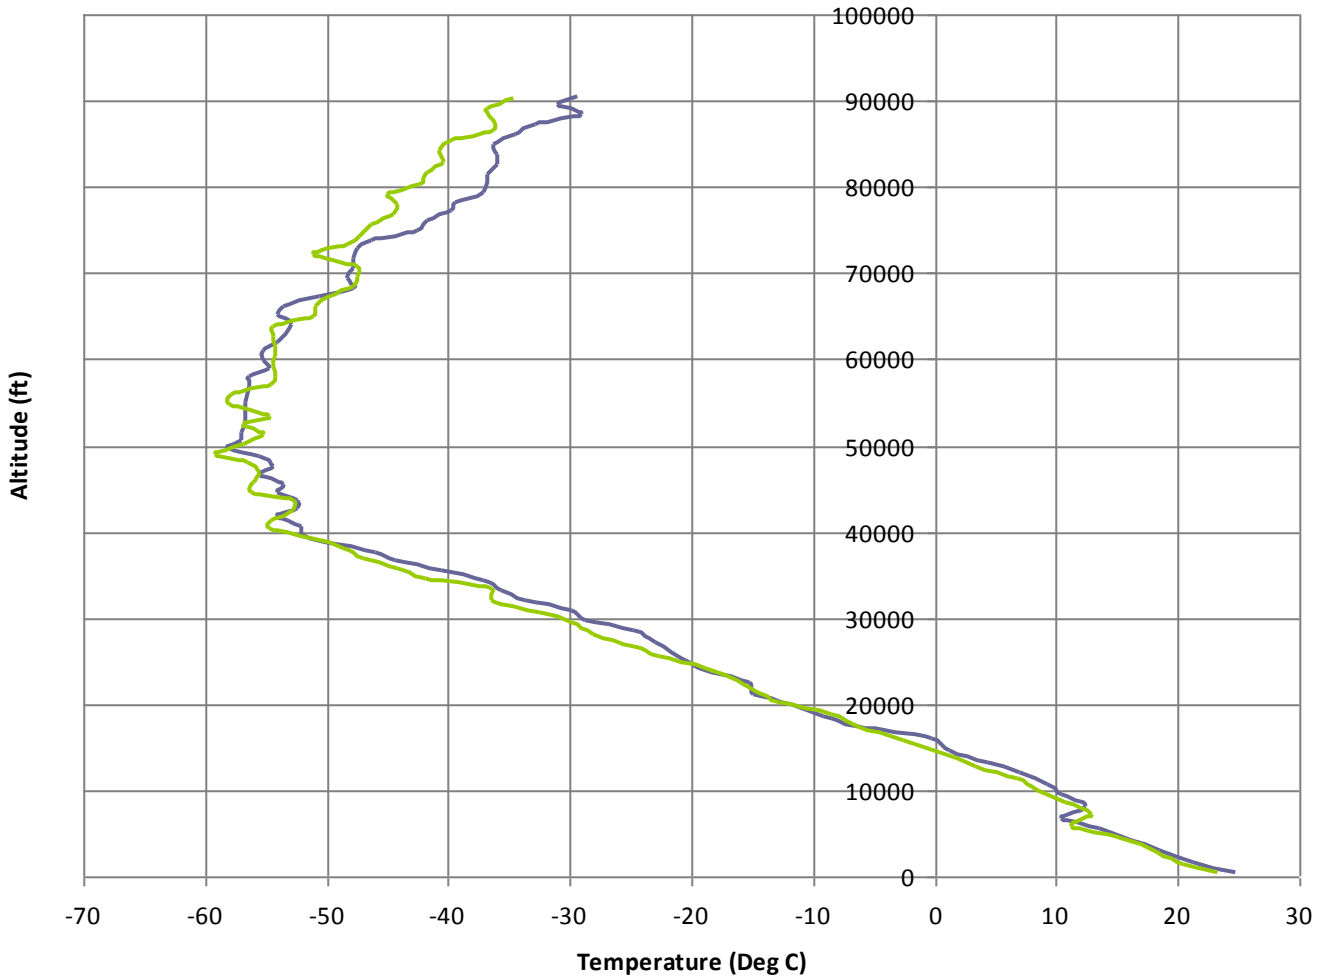

# Outside temperature recorded by sensor

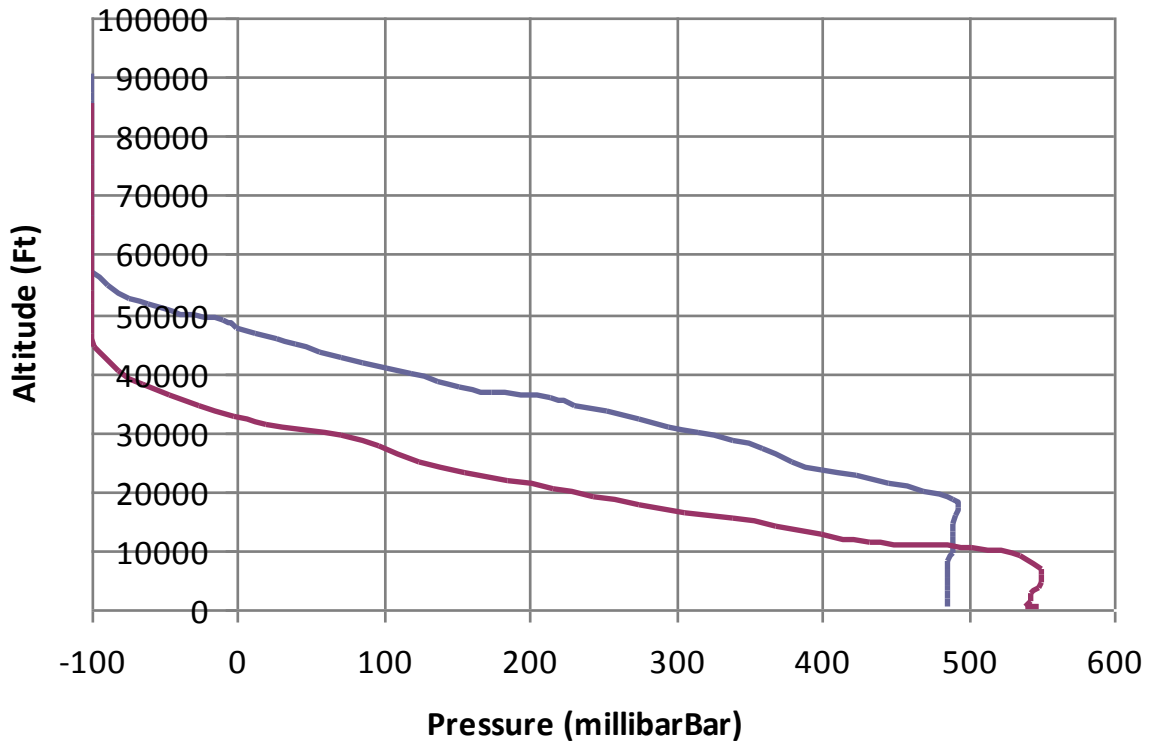

# Outside Temperature recorded by sensor and Hobo data logger

— Sensor Data — Hobo Data Logger

# Outside pressure recorded by sensor

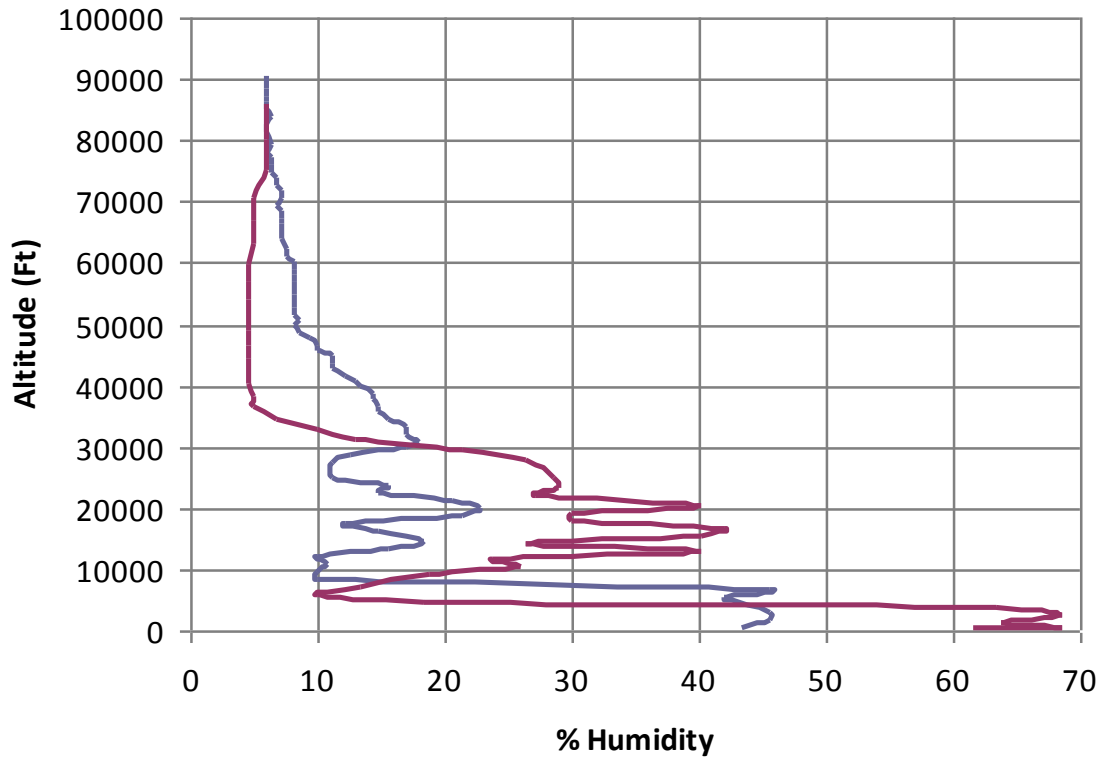

Ascent Descent

### Relative humidity recorded by sensor

— Ascent — Descent

### UV index recorded by sensor
